

## **Talons**

**Step 1: Place the Paper Longways Up and Down in Front of You. It Should Look Like This:**

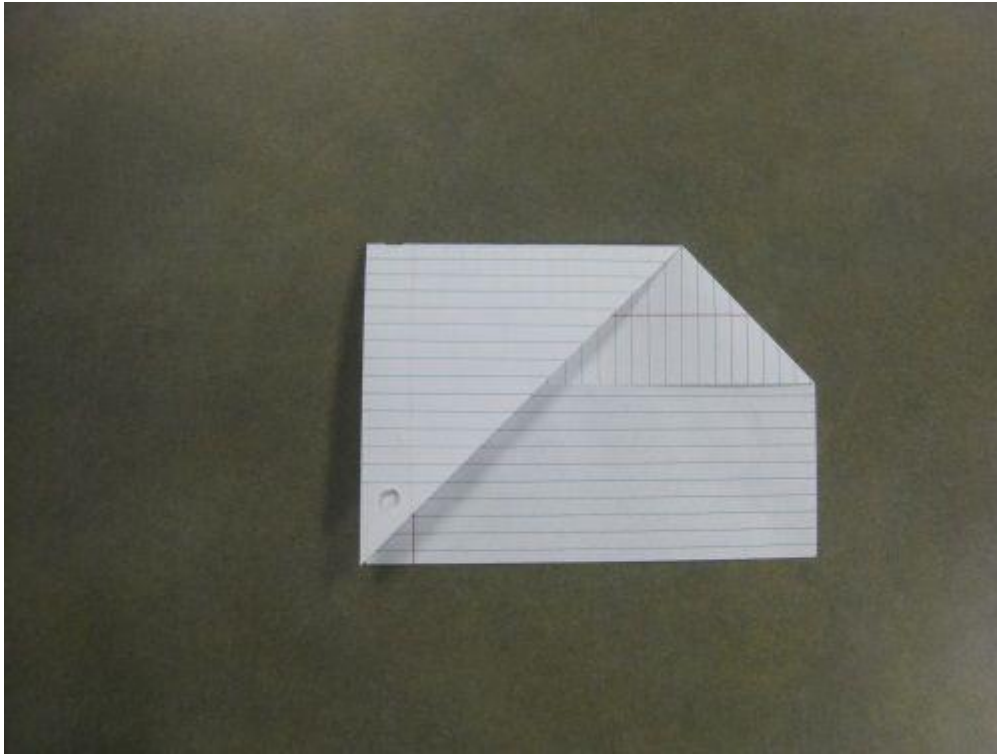

If the paper has holes to go in a binder, make sure the holes are on the left side.

**Step 2: Take the Top Right Corner of the Paper and Fold It Diagonally Across the Page So the Edges Line Up, As Shown.**

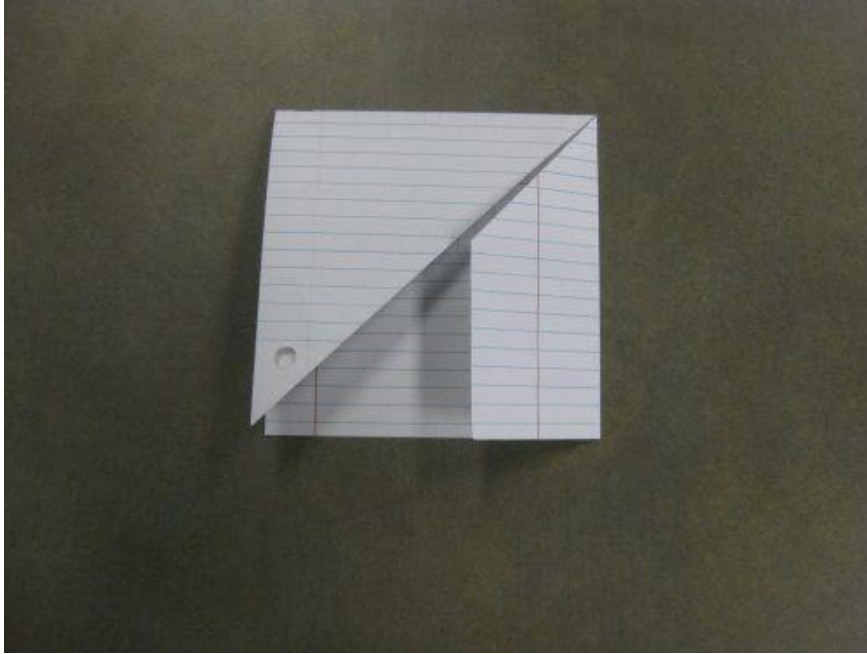

Note: the upper left hand part of the paper should look like a point.

**Step 3: Take the Top Left Corner and Fold It Directly Down to the Bottom Left Corner.**

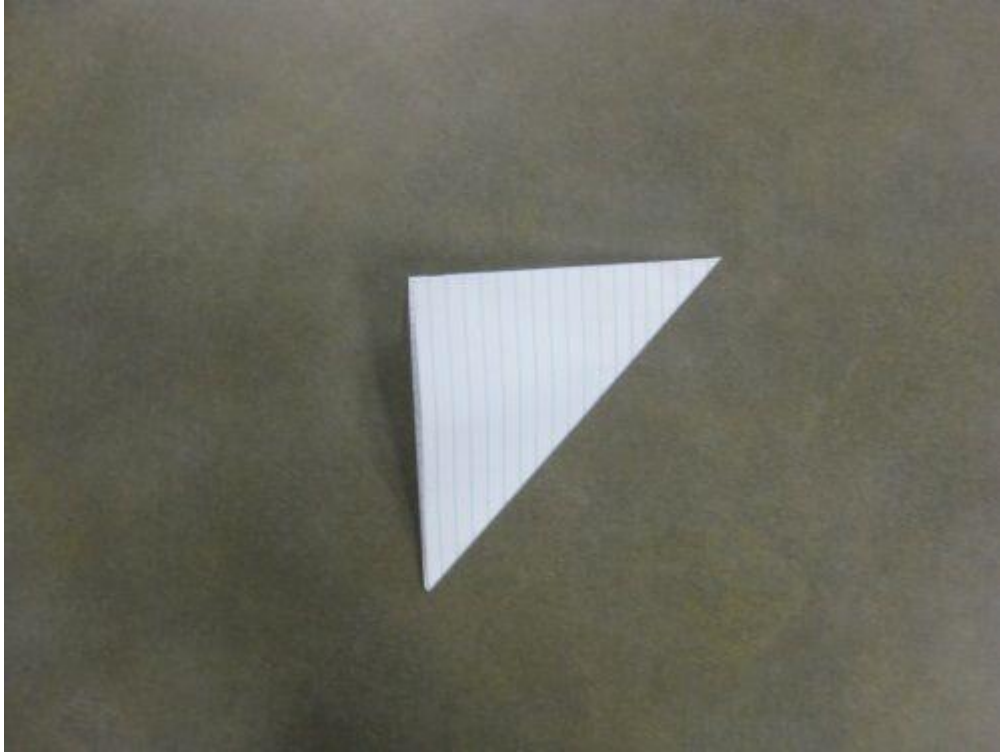

**Step 4: Fold the Right Side Into the Center So the Diagonals Line Up, As Shown.**

You should now have a square.

**Step 5: Take the Bottom Right Corner and Fold It Diagonally Across to the Upper Left Corner.**

You should now have a triangle.

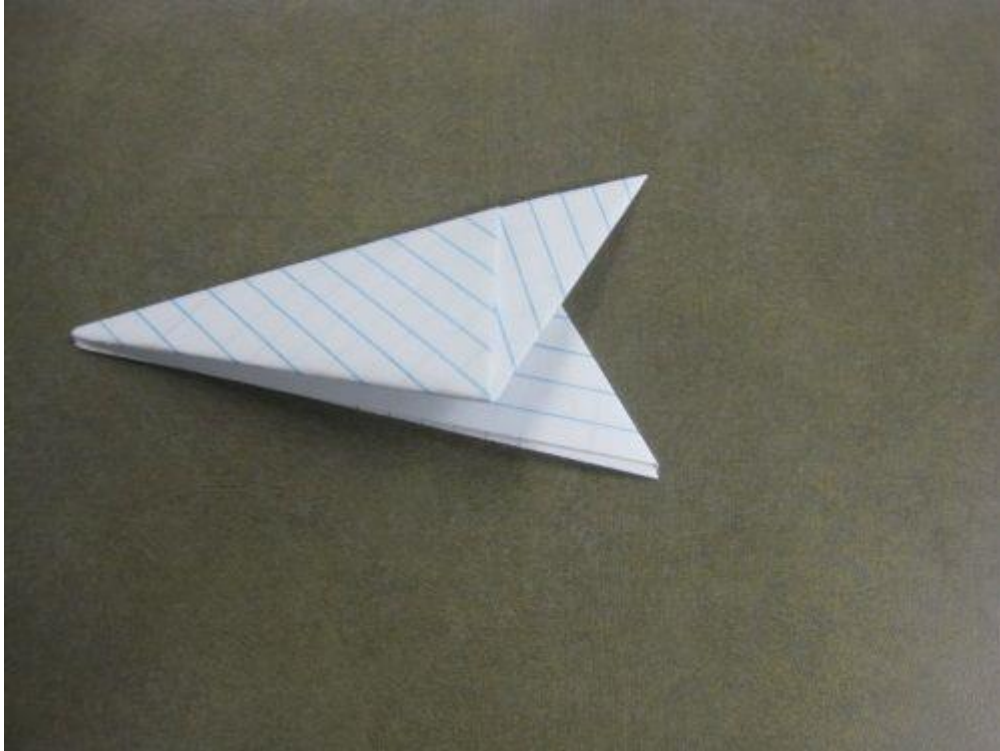

**Step 6: Take the Upper Right Corner and Fold It So That the Top Edge Makes a Line Down the Center of the Triangle, Like This:**

**Step 7: Fold the Bottom Corner Up Across the Middle Line.**

**Step 8: Turn the Paper Over. It Should Look Like This:**

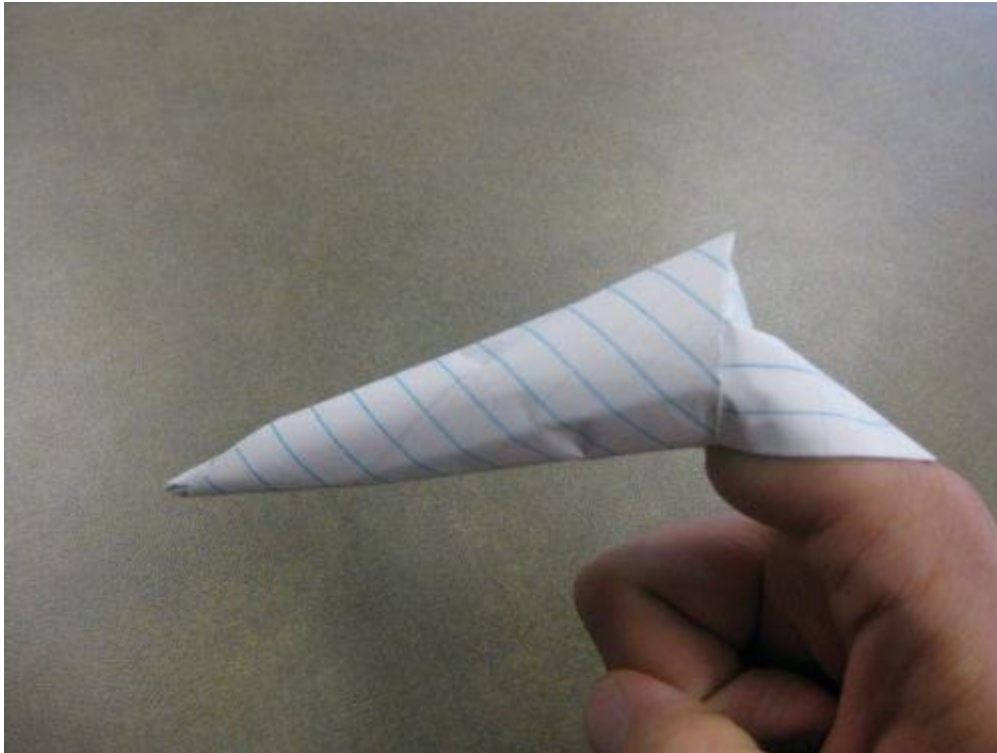

**Step 9: Tuck the Loose Corner Into the Pocket in the Claw.**

**Step 10: The Upper Triangle Has Two Pieces of Paper Stacked on Top of Each Other. Insert Your Finger in Between the Pieces of Paper to Use.**

**Step 11: Congratulations! You Have Finished Your Paper Claw! Your Finished Claw Should Look Like This:**

**CAUTION: THE CLAWS MAY BE SHARP AND POINTED. DO NOT POKE PEOPLE IN THE FACE.**

Note: If the last folded tab does not stay in the pocket (maybe because of loose folding) you can secure the fold with a piece of scotch tape.
