Dear (Name),

We are thrilled to invite you to Conserve Wildlife Foundation of New Jersey's 15th Anniversary *Women & Wildlife Awards Reception*, a celebration honoring the incredible women leading efforts to protect New Jersey's rare wildlife and wild places.

This special evening marks the long-awaited return of our signature event and features a buffet dinner, curated drinks, a silent auction, and the opportunity to meet the extraordinary 2025 *Women & Wildlife* honorees.

The *Women & Wildlife Awards* recognize biologists, educators, volunteers, and advocates whose tireless efforts uplift endangered and threatened species, restore habitats, engage communities, and inspire the next generation of young environmental stewards. In a time of accelerating habitat loss, diminishing biodiversity, and extreme weather changes, these awards recognize trailblazing women whose dedication to conservation is essential to the future of science, environmental justice, and mentorship.

Please join our fellow conservation-minded partners by considering a Sponsorship today. Your generous support will help honor these outstanding women while advancing the mission of the Conserve Wildlife Foundation:

- Environmental education for more than 8,000 students and 3,000 adults each year, including many from underserved communities;
- Critical field science and habitat restoration efforts benefiting over 40 threatened and endangered species statewide;
- Public engagement programs, including speaking events and live-streaming wildlife cams, that empower residents to care for their local wildlife.

Attached please find our Sponsorship package with information on Sponsorship levels and benefits. If you have any questions or would like to discuss your sponsorship, please reach out to me at 215-630-2832 or email me at [liz.silvernail@conservewildlifenj.org](mailto:liz.silvernail@conservewildlifenj.org).

Thank you for standing with us to celebrate the women shaping the future of conservation!

Regards,
